Dear Parents / Carers

It looks as if we may get snow this winter! Please see the attached Emergency School Closure Procedure which can also be found on our school website under News and Newsletters.

We have been made aware that some students are using their mobiles into the early hours of the morning. If we have specific information regarding individuals we will of course inform parents/carers. Good practice would be to not have mobiles in bedrooms at night and charging in a central area so parents /carers know that they are not being used and disturbing other students overnight.

Parent / Carer Consultations

Parent consultation for the Juniors and years 7 and 8 are to be held on Monday 5th March after school. Appointment times will be sent home next week.

Congratulations
