2016 / 2017

Welcome to All Saints School.

This Information Pack has been designed to help you find out about the school. I do hope that you will find it useful.

All Saints School is a small, independent day school in North East Norfolk, with a friendly, family feel. We cater for children and young people from the age of 7 to 16. We provide a stimulating and supportive environment in which all pupils have the opportunity to excel and develop their talents.

All Saints provides a well structured, safe environment where effective teaching and learning are a priority for everyone. We are committed to ensuring that all our students have equal access to the whole curriculum and are given equal opportunities to develop their full potential.

The curriculum is designed to meet the needs and aspirations of all children, whatever their ability. They are encouraged to work at their own pace and the work is differentiated and tailored to meet their individual needs.

Students are taught in small class groups by fully qualified teachers. We have an experienced, committed and enthusiastic staff group who support our students and provide them with the skills and qualifications that they will need for their future adult lives.

Please feel free to contact the school with any queries you may have. We warmly extend an invitation to you to contact the school and arrange a visit.

Head Teacher

# Admission Policy

This document sets out to provide the policy and procedures for a pupil's admission to All Saints School, Lessingham.

- It is the policy of All Saints School to interview pupils irrespective of the information previously received and providing the pupil is age appropriate and it is felt that the prospective pupil would benefit from the education provided by the school, a place will be offered.
- All Saints School is a main stream school and accepts pupils with a wide range of educational ability, pupils are taught in appropriate classes to allow all to achieve their potential.
- The school can offer additional support to those who have Special Educational Needs including serious Health issues, Dyslexia, Dyspraxia, Attention Deficit Disorder, and Aspergers Syndrome (Social and communication difficulties).
- All Saints School is also able to provide a nurturing environment for those pupils who have been unable to access mainstream education, using a process of gradual integration with the aim of full school attendance. The school works closely with local authorities to provide a structured and consistent environment for young people who are considered to be vulnerable and who would benefit from attending a small school.
- There is no entrance exam for All Saints, admission is by interview with the Head teacher or nominated staff member often without the pupil if it is felt to be beneficial. An opportunity will then be given for the young person to visit and if appropriate invited to have two trial days where they can be informally assessed and join with their peers in class lessons and activities.
- All Saints School does not admit pupils whose specific difficulties relate primarily to their behaviour. It is essential for the well-being of all, that new pupils can be seen to fit in with their peers in a positive and constructive manner. The decision to offer a place will be made by the Head teacher following consultation with relevant staff and a letter of acceptance will be sent within five working days to the parents or placing authority.
- An offer of a place will be made providing the pupil's presence at the school will not be detrimental to the education or social wellbeing of other pupils in the school and where it is felt that the school is able to meet the specific needs of the pupil.
- All Saints accept entries into the school throughout the year and understands that for all pupils changing schools or attending after long absences can be extremely difficult and the transition needs to be completed with empathy and support from all pupils and staff and close liaison with parents/carers.

## **Absence**

If your child is going to be absent from school, please telephone to let us know. The Head Teacher will be in school from 8.15am. If you do not contact us on the morning of your child's absence, you will be contacted by the School Office. It is important that we receive a note, giving the reason for absence, when your son or daughter returns to school.

If your child is absent for a period of time without contact from parents or carers, the school is required to notify the Attendance Team in the Local Authority.

Following recent guidance from the Department for Education, it has been recommended that Head Teachers should refuse requests for family holidays during term time, unless there are exceptional circumstances. If parents still intend to have a family holiday during term time, you are asked to complete a holiday request form which is available from the school office.

## **Uniform**

All students are expected to dress correctly for school.

School sweatshirts, polo shirts, ties, badges and school coats can be bought from the school via the school office. Please find enclosed the uniform list and order form.

### **All uniform must be named.**

Please note that if a student arrives at school inappropriately dressed, (ie: not in correct uniform), they may be sent home to dress appropriately. Also, if a student arrives in school with brightly coloured dyed hair, their parents will be asked to come and collect them from school. They will not be allowed back in school until their hair is a suitable colour.

## **Lost Property**

We have a lost property cupboard which contains un-named uniform and equipment. Please notify the school office if your son or daughter has lost something and we will do our best to find the lost item.

## **Personal Information**

Please let us know immediately of any change of circumstances. Confidential matters will be handled discreetly by the Head Teacher.

Please ensure that school records are always up to date including contact names, telephone numbers and e-mail addresses which are vital for emergency contact. This is a legal requirement. Any notification of changes should be given to us in writing as soon as possible, or e-mailed to [office@allsaintslessingham.co.uk](mailto:office@allsaintslessingham.co.uk).

## **Medicines**

In accordance with our First Aid and Medication Policy any medicine which needs to be administered in school time should be brought to the office, clearly named and with dosage instructions where it will be securely stored. This needs to be accompanied by a Parental Agreement for School to Administer Medicine form, giving permission for the school staff to administer the medication. The staff in the school office will keep a record of any medication which is administered.

## **Mobile Phones**

Mobile phones are forbidden in school. If you want your son or daughter to have a mobile phone, they must hand it in to the Head Teacher or Form Tutor first thing in the morning and it will be returned to them at the end of the day. If a student is found to have a mobile phone, it will be confiscated and returned at the end of the day on the Friday. If your son or daughter needs to contact you during the day they can use the phone in the school office.

Please note that I-pods and personal stereos/mp3 players are also forbidden in school. If these items are brought into school, again, they should be handed in. The school does not take responsibility for the loss of mobile phone, i-pods or any other electrical equipment.

### **Confiscated Items**

Items which have been confiscated, such as jewellery, mobile phones, mp3 players, I-Pods, non uniform clothing can be collected from the school office at 3:10pm on Fridays.

If necessary, a confiscated item may be collected sooner by a parent from reception.

### **Jewellery**

Students may wear two simple ear studs or small hoops, one in each ear. These should be removed or covered for PE, (for Health and Safety Reasons). Additional studs or rings on any other part of the body will be confiscated.

All other jewellery such as bracelets are forbidden.

### **Tattoos**

Tattoos are illegal on persons under the age of 16 and suggest that these are left until your son/daughter has left All Saints School.

### **Arrival at School**

School starts at 9am with registration.

Ideally, students should arrive at school from 8:40am. Those who, for special reasons, have to arrive before this time, need to report to the Head Teacher in the school building to ensure that they are safe. We cannot ensure any level of supervision before 8:30am.

### **Car Parking**

The safety of our students is paramount. Parents dropping off their children in the morning are asked to park alongside the school fence leaving the gateways free.

At the end of the day, parents are asked to drive into the playground through the far gate and exit through the middle gate. School staff will supervise the safe departure of each child.

Parents who have children in the Junior and Senior school are asked to arrive at 3:15pm. The younger children will be kept in the Junior Department from 3pm as a safety requirement.

### **Lunches:**

All students at All Saints eat packed lunches. We would like to encourage healthy eating at school. We have a water machine which supplies us with cooled water. Students are asked to bring a bottle of water, (rather than a sugary drink), which they can refill during the day.

The Juniors and Seniors currently eat their lunch in the Hall.

All students are expected to go outside at lunchtimes unless the weather is inclement.

### **Extreme Weather**

Please assume that the school will be open. We will publish details on local radio, our website or via emergency contact numbers if the school needs to close.

### **House Teams**

Each student in school is allocated to a house team. Each house has a house captain (Senior student). Stars and credits are given to individual students. These will go towards house points. Events will be held throughout the year where teamwork will be encouraged, such as Sports Day, Swimming Gala, etc.

The houses are;

Cavell	-	Yellow
Fry	-	Green
Nelson	-	Red
Sewell	-	Blue

### **Rewards and Sanctions**

All students at All Saints are encouraged to work to the best of their ability. A system of stars operates in the Junior Department. Credits are used in the Senior School.

Students are given stars or credits for a good piece of work or for commendable behaviour.

A record of stars and credits is kept in the student planners.

Certificates will be awarded in assembly for Bronze and Silver awards. A certificate for a Gold Award is very special and is given out during the Prize giving service at the end of the summer term.

Bronze	-	30 stars/credits
Silver	-	50 stars/credits
Gold	-	75 stars/credits

Transport is available from the Great Yarmouth, Sheringham and North Walsham areas at a cost of £360.00 per term, to help towards the general running costs of the vehicle.

**MUSIC LESSONS**

All individual music lessons are by arrangement with the Music teacher concerned to include piano, recorder, voice and guitar.

**PAYING BY INSTALMENTS**

Some parents may prefer to pay School Fees by an instalment system. This can be arranged on a 12-month basis by Direct Debit, commencing September of each year. Payments will be due on the first day of each month from September to August, inclusive. Any payment defaults will result in the removal of the pupil from school.

Please note that payment for Year 11 students is only available on a 10-month basis.

The entry fee for this academic year for Edexcel and AQA is £45.00 per GCSE subject. Non payment will result in the withdrawal of a candidate.
