All Saints School is committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same.

All staff recognise that children communicate their needs via their behaviour. Every adult in our school is encouraged to look beyond behaviour and to be curious about children's needs. We recognise that children need support to keep emotionally regulated and cope in everyday social situations and in more challenging interactions.

There is a common understanding of the importance of interpreting, rather than reacting to behaviours. Key questions are: *What has happened to this child? What feeling is the child exhibiting? What is the meaning of the behaviour of this child? What does this child need from me at the moment... and in the future?*

At All Saints School, we expect a high standard of behaviour at all times. The main philosophy of the school encompasses the following characteristics:

To have **CONSIDERATION** for all, irrespective of their ethnic or national origin, culture, religion, gender, disability or sexuality.

To show **COURTESY** to all staff, parents and fellow students.

To have **COURAGE** to say and do what they know is right, not to be led by others in any wrongdoing or bad behaviour and to speak up against bullying.

To take **CARE** and show **RESPECT** for their own property and also for the property of the school, staff and other students.

To have **CONFIDENCE** in their own ability and to leave All Saints School ready to face the challenges that await them in their future lives and careers.

Anti-Bullying Policy

This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2021 and "[Sexual violence and sexual harassment between children in schools and colleges](#)" guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)".

- Internet, Social Media and Email Use

3) Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010

- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by

phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

- All Saints school recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
- Bullying is recognised by All Saints school as being a form of peer on peer abuse; children can abuse other children.
- Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
