MESSAGE FROM THE HEADTEACHER

As we approach the Easter holiday, I want to take a moment to reflect on what has been an incredibly busy and productive term. It has been a time of energy, achievement, and growth, and I am so proud of the dedication and enthusiasm shown by everyone involved in the All Saints family.

In the past few weeks we have shown around lots of visitors all of whom have commented on the truly wonderful atmosphere that we have in school and how enthusiastic and engaged our young people are with their learning. I would like to extend my heartfelt thanks to all staff, students, advisors, parents and carers for their commitment and hard work. It truly makes a difference to our school environment and to the success of our young learners.

As we head into the Easter break, I wish you a restful and enjoyable holiday. Whether you are taking time at home or travelling, I hope it is a time for you to recharge, spend time with loved ones and reflect on all the accomplishments of this term.

We look forward to welcoming everyone back after the break, ready for the next chapter in what has already been a fantastic school year.

Happy Easter to you all and I look forward to seeing you in the new term!

Hot meal update

Thank you to everyone who completed the survey for hot meals in school, unfortunately there is not be enough interest for us to pursue a contract with the company.

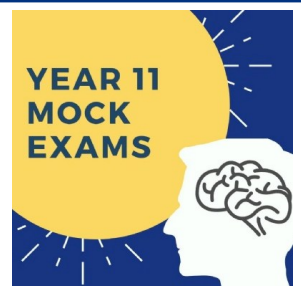

We will keep looking to see if we can bring a hot food option into school but for now it will have to remain as it is.

Year 11 April mock timetable

Wishing all of our year 11 students a good rest over the Easter period, don't forget to really make these last few weeks count by making the most of your revision time.

This is the final stretch before your exams start (Monday 28th April & Tuesday 29th April – Art) and (Monday 12th May English Literature and Computer Science).

The timetable and links to some useful support websites are attached.

Year 8

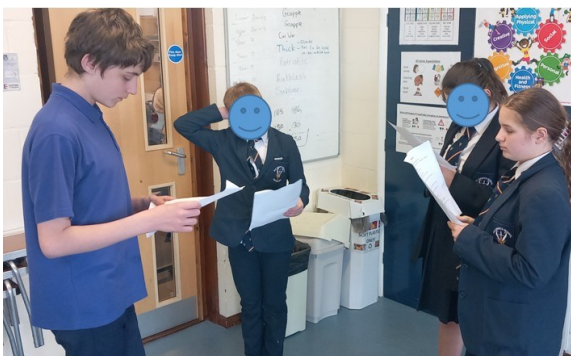

Bella has created this fabulous poster showing the impact of trains during the Industrial Revolution.

In Drama lessons this half term, year 8 have been exploring conflict in Romeo and Juliet.

We discussed the conflict that is found in the play and then using the opening scene, students explored the relationships of the characters.

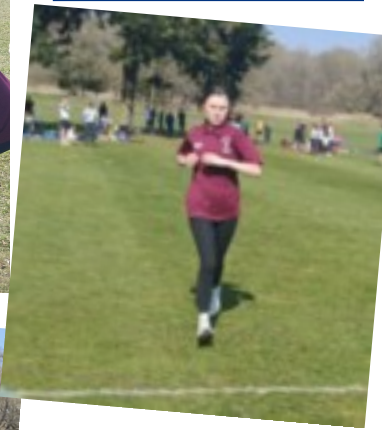

Some then performed their scenes to the class.

Year 8 also enjoyed making Easter treats in fine motor skills intervention.

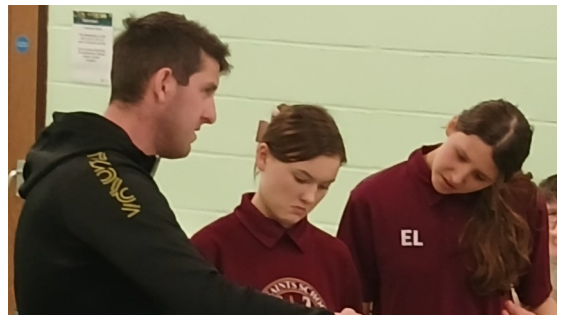

PE and Sport

All Saints represented the school amazingly, cheering on others and giving their all in their races. We are very proud of all students; as a school we came 2nd overall and we also had 2 winners and several students who made the podium.

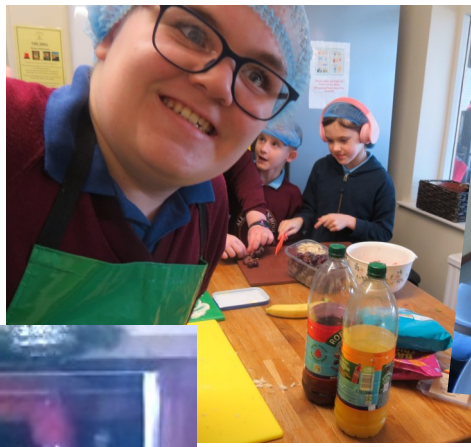

Our Year 10 sports leaders were brilliant at officiating the Norfolk Table Cricket Tournament. Lots of maths skills in use and excellent levels of focus and ability to follow instructions.

Diversity

Our Diversity leads made lunch for Dave from Inclusive Norwich.

They also discussed accessibility in school and in the wider community.

Juniors

The Upper and Lower Juniors visited the Puppet Tree Theatre in West Runton. They created puppets for their topics of Greek mythology and the Pied Piper.

Hinduism

Rita Scott visited our Juniors and showed them what it like to be Hindu in Britain.

Thank you...

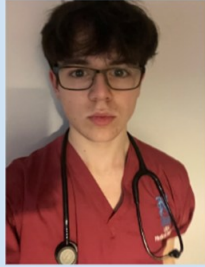

To our special visitors who spoke about their careers during a recent carousel in the hall.

All students across the school had a chance to attend and asked fantastic questions.

Thank you to Sophie Wiggins (from ITV News), Corey Montgomery (student medic) and Angela Clarke (travel agent). What a great experience!

The Big Norfolk Holiday Fun is back for Easter!

The upcoming Easter programme is set to run
from 7th to 17th April 2025

The Big Norfolk Holiday Fun (BNHF) activity programme is run in partnership with Norfolk County Council, thanks to an initial four years of funding which has been extended as of January 2025.

We are happy to make referrals for families and all students are eligible; please contact Miss King if you want us to refer your child for free spaces — the sooner the better as popular ones do get booked up.
